INDEPENDENT AUDITORS' REPORT

To the Members of
The Gairdner Foundation

REPORT ON THE FINANCIAL STATEMENTS

We have audited the accompanying financial statements of **The Gairdner Foundation**, which comprise the statement of financial position as at December 31, 2011, and the statements of operations, changes in net assets and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of **The Gairdner Foundation** as at December 31, 2011 and the results of its operations and its cash flows for the year then ended in accordance with Canadian generally accepted accounting principles.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

As required by the Corporations Act (Ontario), we report that, in our opinion, Canadian generally accepted accounting principles have been applied on a basis consistent with that of the preceding year.

The Gairdner Foundation

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

1. PURPOSE OF THE ORGANIZATION

The Gairdner Foundation [the "Foundation"] provides awards to medical scientists in recognition of outstanding discoveries and contributions to medical science, and as an incentive to those who follow in their footsteps. In addition to encouraging and rewarding individuals, the Foundation presents the Gairdner Awards in order to focus public, professional and scientific attention on significant achievements in the field of health sciences.

The Foundation, which was incorporated under the laws of Ontario, is registered as a charitable organization under the Income Tax Act (Canada) [the "Act"] and, as such, is exempt from income taxes, and is able to issue donation receipts for income tax purposes.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the Foundation have been prepared in accordance with Canadian generally accepted accounting principles. The following summary of significant accounting policies is set forth to facilitate the understanding of these financial statements:

Cash and cash equivalents

Cash and cash equivalents consist of cash on deposit and short-term investments with maturities of less than 90 days at the date of purchase. Cash and cash equivalents exclude amounts that are managed for returns rather than being held for liquidity.

Investments and investment income/(losses)

Publicly traded securities are valued based on the bid price and pooled funds are valued based on reported unit values. Short-term securities are valued based on cost plus accrued income, which approximates fair value. Transactions are recorded on a settlement date basis and transaction costs are expensed as incurred.

Investment income/(losses), which consists of interest, dividends, income distributions from pooled funds, and realized and unrealized gains and losses, net of safekeeping and investment management expenses, is recorded as revenue in the statement of operations, except to the extent that it relates to restricted funds, in which case it is added directly to those balances.

The Gairdner Foundation

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

Capital assets

Capital assets are recorded at acquisition cost less accumulated amortization. Contributed capital assets are recorded at fair value at the date of contribution. Amortization is recorded in the accounts at rates intended to write off the cost of the assets over their estimated useful lives.

Rates and methods of amortization are as follows:

Asset	Rate	Method
Office equipment	20%	diminishing balance
Computer equipment	30%	diminishing balance

Revenue recognition

The Foundation follows the deferral method of accounting for contributions, which include donations and government grants. Unrestricted contributions are recognized as revenue when received or receivable, if the amount to be received can be reasonably estimated and collection is reasonably assured. Contributions externally restricted for purposes other than endowment are deferred and recognized as revenue in the period in which the related expenses are recognized. Endowment contributions are recognized as direct increases in net assets in the period in which they are received. Sponsorships and related event revenue are recognized when the event takes place.

Foreign currency translation

Transactions denominated in foreign currencies are translated into Canadian dollars at exchange rates prevailing at the transaction date. Monetary assets and liabilities are translated into Canadian dollars at exchange rates in effect at the year-end date. Non-monetary assets and liabilities are translated at the historic rate. Exchange gains and losses are included in investment income (loss).

Financial instruments

The Foundation has chosen to apply CICA 3861: *Financial Instruments – Disclosure and Presentation* in place of CICA 3862: *Financial Instruments – Disclosures* and CICA 3863: *Financial Instruments – Presentation*.

The Gairdner Foundation

NOTES TO FINANCIAL STATEMENTS

December 31, 2011

Contributed goods and services

Because of the difficulty in determining fair value, contributed goods and services are not recognized in the financial statements.

Use of estimates

The preparation of financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual amounts could differ from those estimates.

Future changes in accounting policy

The Accounting Standards Board of the CICA has issued Part III of the CICA Handbook that sets out the accounting standards for not-for-profit organizations that are effective for fiscal years beginning on or after January 1, 2012. The Foundation is currently evaluating the impact of these standards. The Foundation will adopt the new standard effective for its fiscal year ended December 31, 2012. The adoption of the new standard is not expected to have a significant impact on the Foundation's financial statements.
